

**TREC: Training
and Equipping
Christ-followers**

At West Highland, we are committed to “making the Word of God fully known and the people of God fully mature” (Col.1:28). This is what TREC is all about, providing Christ-followers with top-notch Biblical and theological education, practical ministry training and Christ-centered leadership development. Courses are generally 8 weeks in length, offered primarily on Sunday evenings from 6:00 to 7:15 P.M.

This brochure outlines the overall curriculum on offer through TREC with room for specific additional electives to be added from time to time. Those courses with an asterisk (*) noted beside them are those we would consider foundational and recommend that every disciple of Christ cover these topics. The other courses are then helpful for your spiritual growth and training for service as you grow in your faith, and will be more elective in nature depending on your personal interest, gifts and areas of ministry.

We would encourage you to keep this guide in your Bible or alongside your study notebook, as a way of tracking the courses you have completed and planning the courses you need as a part of your spiritual growth plan.

“Do your best (study hard) to present yourself to God as one approved, a workman who does not need to be ashamed and who correctly handles the word of truth.” 2 Tim. 2:15
